

## North Penn School District Publicity Refusal Form

Dear Parent/Guardian:

Photos, videotape footage and personal interviews with North Penn students who are involved in various school-related activities are often used as part of the district's community relations efforts including district publications, North Penn Television programs, the NPSD social media pages such as Twitter and Facebook, NPSD advertisements and on the district's website.

**If you DO NOT want photos, videotape footage or interviews featuring your child used in district publications, North Penn Television programs, the NPSD social media pages such as Twitter and Facebook, NPSD advertisements and on the district's website, please complete the form below.** Be advised that signing this form prevents intentional use of your child's photo or videotape footage. In situations in which large groups of people are participating, it is impossible not to photograph or videotape certain students, and, therefore, we cannot prevent the use of photos or videotape footage that unintentionally includes your child.
