

Safe Schools Committee

May 16, 2013

Frank O'Donnell

The Safe Schools Committee met on April 25 and discussed the following:

Building Access System upgrades, Surveillance Camera Upgrades, potential additional C.L.A.S.S. buttons from Montgomery County Emergency Dispatch Center, and enhanced communications with our new radio system,

Mr. Wilson continued with a discussion of the active shooter training received by Security Officers and the substitute teacher orientations regarding safe schools procedures.

The committee was updated on the progress being made with proximity card access systems, camera upgrades and the timeline for implementation and installation of all proposed Security upgrades.

The next meeting of the Safe Schools Committee has been scheduled for September 26, 2013 at 6 p.m. at the Educational Services Center.
