

Support Services Committee

April 18, 2013

John Schilling

The Support Services Committee has not met since the last Board Meeting.

The committee asks for your support of the change orders on tonight's agenda, and the easement agreement with North Penn Water Authority to install new and additional water mains on the Knapp School property.

The next meeting of the Support Services committee is scheduled for Monday, April 29 at 6 p.m. at the Educational Services Center.
