Title I Parent and Family Engagement

All Local Education Agencies (LEA) receiving Title 1 funds are required under Section 1116 of the Every Student Succeeds Act (ESSA) to develop a written Parent and Family Engagement Policy for the LEA. The ESSA requires that the LEA Parent and Family Engagement Policy be jointly developed with parents/family members, be annually revised and updated, incorporated into the LEA plan, and distributed to parents/families of all children in each Title 1 school in a format and language that parents/families can understand. Such programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents and family members of each Title 1 school.

In addition, under ESSA, each Title 1 school must adopt specific guidelines for their school that both align to the LEA Policy and also meet the unique needs of their school. Each school shall distribute to all parents/families in a format and language that parents/families can understand. Parents/families are an integral part of the development of the LEA Policy and building-level guidelines and must be included in this process.

The superintendent, or their designee, will ensure that all applicable requirements are met in order for the District to receive Title 1 funding.
