

Dear Hatfield Families,

November arrives tomorrow! We continue to enjoy a fantastic start to the school year and will spend the next month closing out our First Trimester. Please be sure to continue to monitor your child's progress.

On Monday, Nov. 4 and Tuesday, Nov. 5 there is no school for students. We are hoping to see an abundance of parents for conferences. If you desire a meeting, please reach out to your child's teacher ASAP for their respective scheduling availability. Note, many time slots have already been reserved for those two days.

Additionally, we request that you join us for our Home and School (H&S) Meeting on Wednesday, Nov. 6 at 7:00 p.m. Remember, numerous opportunities remain available for you to donate your time to upcoming H&S activities! Our H&S Officers request that you also check out their Facebook page, too. With that, throughout the month of November on Saturdays, please stop into Grub Burger Bar in the Montgomeryville Mall. Mention Hatfield Elementary to ensure that a portion of your transaction goes to ongoing H&S fund-raising initiatives.

Two nights later, our school Art Show and Book Fair is scheduled. Please join us from 6:00-8:00 p.m. on Friday, Nov. 8. Many teachers have volunteered their time to hold story time for students throughout the evening. Mrs. Cohen and Mrs. Bashore have been gracious enough to ask me to kick off the night's readings. Books will be available for purchase, with plenty also given away to our Hawks. With that, art work from every child at Hatfield will be framed and placed on display (courtesy of Mrs. DeVito's planning). We encourage you to purchase your student's creative effort on Friday evening!

Next, an e-mail was distributed yesterday regarding Halloween. Please be sure to review that outreach regarding tips for tonight's student attire, safety, and homework.

Also, if any sixth grader is experiencing technical difficulties with their Chromebook while at home, the district recently sent out reminders regarding unpaid Accidental Damage Protection for the 2019-20 academic year. Please utilize this link for additional information to get back up and running: <https://sites.google.com/nPenn.org/nPenn-digital-learning/home?scrlbybrkr>.

Finally, as a reminder, when dropping children off to school in the morning, please be sure to use the circle to the side of the school. We need to eliminate extra vehicle and foot traffic in proximity to arriving buses located in the front of the school. In the afternoon, parents should park in the lot near the circle. Please park in the designated spaces, and not elsewhere. Also, be vigilant of students getting into other vehicles and/or walking home. Be aware of your surroundings when backing out of spots and leaving school property at a reasonable speed.

Keep soaring above and beyond,

Wes Heinel  
Principal
