

Dear Hatfield Families,

We conclude the 2019-20 school year tomorrow. Recognize that we understand how challenging the third trimester has been. We do not know what the future holds, but I am confident that our staff, families, and local community will unite to provide the best education for our children. I am exceptionally proud of what we have accomplished over the past year at Hatfield, especially the most recent months, and I truly thank you for everyone's willingness to collaborate during such a unique time.

Third trimester report cards (i.e.: distance learning parent/guardian feedback) will be available in the Infinite Campus parent portal tomorrow. Information on how to navigate this platform was distributed last night.

Please stay tuned for information about the district's summer enrichment program. Electronic learning will be available through Freckle and other resources. This new platform represents a voluntary tool to support enrichment and/or remediation of skills throughout the summer. For a video overview of this new programming, please click here: [Freckle for Families](#).

Next, know that Mrs. Mandes and I will be available throughout the summer via e-mail ([mandesm@npenn.org](mailto:mandesm@npenn.org) and [heinelwr@npenn.org](mailto:heinelwr@npenn.org)) and phone (215-368-1585). We both can handle inquiries and provide support. If you leave a voicemail, it will be passed along to us and you will receive a reply in a timely manner. We will be in the office from 9:00 a.m.-12:00 p.m. on Wednesday, July 8, 15, 22, and 29; however, we do not anticipate being open to the public on these times/dates.

As a reminder, in respect to students leaving the North Penn School District, families are expected to return their device to Gwynedd Square Elementary School between 11:00 a.m.-1:00 p.m. on a Monday or Thursday.

Lastly, know that as information becomes available from North Penn, I promise to reach out in an effort to ensure transparency for the 2020-21 school term. In the meantime, please enjoy a safe, relaxing, and educational summer!

Keep soaring above and beyond,

Wes Heinel  
Principal
