Dear Hatfield Families,

As most of you are aware, Hatfield Elementary is a schoolwide Title I building. Traditionally, we share a variety of information at the beginning of the school year with families in a packet. Due to our virtual setting, this is instead being provided electronically.

What is Title I and a Title I Plan?

Title I provides federal financial assistance to schools with high enrollment, or percentages, of children from low-income families to help ensure that all students meet challenging academic standards. The goal is for all learners to demonstrate proficient levels of achievement and continue to showcase academic growth. The Title I Plan is a required document and serves as a School Improvement Plan and details areas of annual growth and incremental progress monitoring.

Acknowledgment & Questions

Please complete Hatfield's Google Form to confirm that you have received the documents below, and feel free to include specific questions, by clicking here: [Acknowledgement & Question Form](#).

Future Ready PA Index

Using a collection of school progress measures related to school and student success, the Future Ready PA Index includes a range of assessment, on-track, and readiness indicators. The intent is to accurately report student learning, growth, and success in the classroom and beyond. The Future Ready PA Index contains the most recent data available. Due to COVID-19 school closures last spring, a standardized state assessment was not administered in 2019-20; therefore, 2018-19 test results are featured. Keep soaring above and beyond,

Mr. Wes Heinel
