

Dear Hatfield Families,

Thank you all for your continued support with our Online Distance Learning. Each week, consistent student participation is growing! For our intermediate grades (4-6), this will be the last week of formal instruction for Social Studies. Starting next week, we will transition to Science.

Know that teams throughout the district are planning a Virtual Olympic Day scheduled for Wednesday, May 27. Additional details are pending, with some set for distribution on Friday via the Physical Education Fun TV Show Link found here: [NP PE Friday Video](#).

Next, please be reminded that, “the Month of May has been designated as National Mental Health Month, and as such, the North Penn School District Counseling Team continues in its commitment to supporting our students and families in navigating the rigors presented in the COVID-19 world. We are aware that many of our students and their family members are suffering from emotional and mental health issues as a result of the stressors of managing the complicated aspects of this situation.” For more information, please refer to the district-distributed e-mail sent on May 8. It is recommended to utilize the links found here: [K-6 Elementary Resources](#).

Additionally, Mission Kids will be teaching their "ROAR" Lesson for kids ages 4-8 on Facebook Live. Tune in here, [Roar Live Show](#), at 11:00 a.m. on Saturday, May 16.

Also, as referenced in previous outreach, North Penn's School Nutrition Services is providing breakfast (three meals) and lunch (another three meals) on Monday and Thursday from 11:00 a.m. to 1:00 p.m. at Hatfield. Parents/guardians do not have to have their children in the car during pick-up. Know that it is available to children 18-and-under.

Keep soaring above and beyond,

Wes Heinel
Principal
