

Dear Hatfield Families,

It is hard to believe that Memorial Day is on the immediate horizon. We wish families well this weekend as we remember/honor members of the military who sacrificed their lives for our nation. As we observe this holiday, please continue to practice social distancing. Our community can do it; remain #NorthPennStrong!

Note, two common parent/guardian inquiries received recently pertain to report cards and the student retrieval of items from the school. Both information pertaining to third trimester report cards (i.e.: distance learning parent/guardian feedback) and the date/time and process for safely picking up and dropping items at school will be addressed via electronic outreach early next week. Stay tuned!

Next, per the Science Explorers program, two summer virtual sessions are planned for children ages 7-11. A discount is being offered for those who sign-up prior to Monday, June 22. For more information, click here: [Registration Information](#).

Additionally, as a Title I school receiving federal funds, it is imperative that we receive parent feedback on an annual basis. Please click on this link: [Title I Parent Survey](#) in order to participate. Know that the survey is available in a variety of languages for parents/guardians to complete. The survey link is set to expire on Friday, June 5.

Also, be sure to check out the latest edition of Mrs. Bainbridge's Counselor's Corner here: [Loss and How to Support Your Children](#).

Lastly, North Penn's Virtual Olympic Day is scheduled for Wednesday, May 27. Additional details will be revealed tomorrow (Friday, May 22) via the Physical Education Fun TV Show Link found here: [NP PE Friday Video](#). In the meantime, information including an equipment list, is available here: [Olympic Day Planning](#).

Thanks.

Keep soaring above and beyond,

Wes Heinel
Principal
