

Dear Hatfield Families,

Thank you to our parents/guardians for responding to the 2020-21 reopening of schools survey. We are approaching a 70% response rate, thus the links below will stay active through the remainder of the weekend. Please be sure to provide us with your input. With that, stay tuned for follow-up, planning information/details based on district survey results.

Additionally for those who ordered yearbooks, we received Hatfield's shipment. Home & School (H&S) will provide parents with two options for pick-up this week. A station will be set-up outside of school near the playground on Monday, July 13 from 11:00 a.m. to 1:00 p.m. and Thursday, July 16 from 11:00 a.m. to 12:00 p.m. Please be sure to socially-distance during this process. Note, no extra yearbooks were ordered, so there are no extras available for sale.

Keep soaring above and beyond,

Mr. Wes Heinel
Principal
