

Dear Hatfield Families,

As we enter the holiday weekend, we want to ensure that our community is aware of some vital information for both the summer and fall.

First, be sure to take the parent/guardian survey located here, [Reopening Schools - Elementary](#), regarding the reopening of elementary schools across the North Penn School District for the 2020-21 academic year. This was distributed yesterday via School Messenger e-mail, text message, and phone call.

Second, as noted in last week's outreach, optional summer learning is available for students. Programming kicks off next week. For more information, click here: [Summer Enrichment](#).

Next, thank you to all who voted to fill our final Home & School (H&S) Executive Board position for the upcoming term. Congratulations to our new Treasurer, Ms. Kristen Krum.

Additionally, H&S has established a schedule for next year's meetings. They will be held from 7:00-8:00 p.m. on the following Tuesdays: 9/15; 11/17; 1/19; 3/16; 4/20 (if needed); and 5/18.

Lastly, many families have inquired about yearbooks. As of earlier this week, Lifetouch has still not prepared Hatfield's shipment. Know that when an update becomes available, we will pass along information.

Please continue to remain safe and enjoy the time with family.

Keep soaring above and beyond,

Mr. Wes Heinel
Principal
